Make the Chatham Hunger Walk Your Personal Success

1. Complete the Walker Registration Form. Set a goal for contributions, maybe \$100 or more. It may sound like a lot of money, but it is only five donations of \$20 each or ten donations of \$10.
2. **Sign-up sponsors who will support your participation by making a donation for CORA.** Friends, family, neighbors, co-workers and church members usually contribute when asked.
3. Sign the Statement of Consent on the bottom of the registration form. If you are younger than 18, have a parent or guardian also sign.
4. Keep donations and your registration form together in a safe place. We suggest keeping everything in a large envelope. Deliver your Form and donations to your Team Captain prior to the walk after you have collected all donations.
5. Enjoy the Walk with family, friends, neighbors and new friends you will make along the way.
6. And, most of all, *thank you* for joining the walk and the fight against hunger in Chatham County.

How Your Contributions Are Used

All proceeds from the Chatham Hunger Walk will be used to provide emergency food to Chatham County residents in need. CORA Food Pantry has been providing emergency food assistance to Chatham County families since 1989. During this time we have provided a crucial link in the safety network of health and human services agencies throughout our county.

Our long-standing approach is to provide emergency food to those individuals and families who are thrust into a crisis because of job loss, illness or other hardship. We are careful to serve those who really need help. Clients must be referred to us by one of more than 20 Chatham County social service agencies private nonprofits and churches. The Hunger Walk is CORA's largest fundraising event of the year.
